**Attachments:** Hoffenberg.123019.pdf

Hi Howard,

I specifically noted in our earlier email exchange that we could not agree to the amended freelance agreement that you sent to us and had you sign our current freelance agreement, which I have attached. I am happy to mail you a few hard copies of the paper, but I cannot send an electronic copy of the article to you to post to your website. In order to do that, you will have to purchase a reprint from Jeremy.

Best,  
Ben
